En  nuestra misión es suministrar a nuestros clientes, productos eléctricos, electrónicos y automáticos de alta calidad, brindándole un servicio integral en la selección y aplicación de equipo. Además, usted obtendrá buenos precios y tiempos de entrega que cubrirán sus expectativas.

En  encontrara equipo, asesoría y servicio

	Sensors Inductive-capacitive, Encoder, Ultrasonic Sensors, Safety Laser Scanners, Safety Camera Systems, Multiple Light Beam Safety Devices, Safety relays, Single-beam Photoelectric Safety Switches		Totalizing Cuonters, Preset Counters, Rate Meters, Timers, Digital Panel Meters, Temperature Controllers, Large Display, Signal Conditioners, Sensor, PC Board Mount Displays, Enclosures Panels & Accessories
	Photoelectric Sensors, Measurement & Inspection Sensors, Machine Safety Products, Vision Sensors, Select photoelectrics		Safety Laser Scanners, Safety Camera Systems, Multiple Light Beam Safety Devices, Safety relays, Single-beam Photoelectric Safety Switches
	Sensors, Motion & Drives, Switches, Safety Components, Relays, Control Components, Automation Systems, Accesories.		Pushbutton & Indicating Lights, Machine Safety & Limit Switches, NEMA Contactors & Staters, IEC Contactors & Starters
	Hydraulic Pumps, Hydraulic Cylinders, Accumulators, Hydraulic Motors, Industrial Valves, Rotary Actuators, Power Units, Electro Hydraulic Systems, Hydraulic Filters, FRL'S, Valves, Cylinders, Actuators, Vacuum Equipment		Contactors, lighting Contactors, Motor Starters, Type B Overload Relays, Mini Circuit Breaker, Motor Circuit, Protectors, Relays, Disconnects, Accesories
	Pushbutton Enclosure, Operator System Enclosure, Stainless Steel Enclosure, Disconnect Enclosures, NEMA 1 3R 4 4X 12 Enclosures, Fiberglass Enclosures & Accessories		AC Motors, AC drives, Cables, Circuit Protection, Fuses, Disconnects, Enclosures, Ethernet, Serial, Wireless Comm., Relays, Timers, Sensors, Encoders, Terminal Blocks, Pushbuttons, Switches, Indicators
	Light Alert, IEC Controls, Pilot Devices, Terminal Block, Electronic Overloads, Crane & Holst Controls, Temperature Controller, Disconnect & Cam Switches, Location Switches, Electronic Controls & Staters		Cámara inteligente, Sensor vídeo para lectura de código de barras, Sistema de lectura, escáner, Cámara digital multi-espectral, Sistema de inspección visual CHECKER, Lector fijo para código de identificación
	Pressure switch, level switch, Thermocouple, Dilyay Digital, Load Cell, Heaters, Strep Heaters, Valves, Magnetics Flow Meters, Instrumentation and Accesories, Pressure Gauge		Relay, Interface Modules, Timers, Monitorig relays, Products for residential and commercial applications.
	Inductive Sensors, Capacitive Sensors, Photoelectric Sensors, Magnetic Sensors, Electric Rotation Control, Connectors, Power Suplies, Sequence Timer, Proxy Tester		AC Variable Speed Drives & Accesories (AC Line Protection Output Reactors, EMC Filters)
